

December 2024

Dear Church Family:

On behalf of the Facilities Planning Committee, I'm excited to announce an opportunity that we have to participate in the campaign to update our beautiful facilities at First Presbyterian Church.

During the past several months, our committee has worked in consultation with architects to prepare a facility concept plan for interior improvements campus-wide. The committee's focus has been to create aesthetically pleasing and welcoming spaces in which our church family and guests gather for worship and fellowship in the years ahead.

Enclosed you will find a booklet describing the FPC Harvest Fund. Proceeds from this multi-year pledge campaign will be utilized to complete technology and interior design updates of church facilities.

I want to invite you to join our family in supporting the Harvest Fund with your gift or pledge commitment. Please contact me or another member of the Facilities Planning Committee if you have questions or would like to visit personally to discuss the campaign.

Thank you for your prayerful consideration and support!

In Christ,

Shea McNease, Chairman
